

WORK SMART™

FREIGHTLINER 122SD

# VOCATIONAL SEVERE DUTY DUMP

# FREIGHTLINER 122SD SEVERE DUTY DUMP

## WHEN THE WORK IS TOUGH, GET A TRUCK THAT LIKES TO WORK.

The Freightliner 122SD Dump is rugged enough for harsh environments and brutal workloads. It provides up to 600 horsepower, torque ratings up to 2050 lb-ft and GCWR up to 210,000 lbs. Clear back-of-cab makes upfit easy. And the lightweight, corrosion-resistant aluminum SD cab is reinforced with e-coated steel, reducing vehicle weight to improve payload. But the 122SD is also easy to handle with a wheel cut up to 50 degrees and a large windshield for enhanced visibility. And the roomy, quiet cab interior ensures driver comfort and productivity. All of which lowers your total cost of ownership. And that's what it means to Work Smart.

### STANDARD FEATURES

- 122" BBC durable, non-corrosive, steel-reinforced aluminum SD cab
- Set-back axle tractor @ 43"
- Detroit™ DD15® TC engine with Virtual Technician™ Onboard Diagnostic System, 455 HP, 1550 lb-ft torque
