

WORK SMART™

FREIGHTLINER 122SD

VOCATIONAL SEVERE DUTY OIL & GAS

FREIGHTLINER 122SD SEVERE DUTY OIL & GAS

EFFICIENT PERFORMANCE. ON-HIGHWAY, OFF-ROAD AND NO ROAD.

The Freightliner 122SD is tough enough for the harsh, remote locations of the oil and gas industry, yet it provides excellent fuel efficiency when on the road. Take advantage of up to 600 horsepower, torque ratings up to 2050 lb-ft and GCWR up to 210,000 lbs. The clear back-of-cab makes upfit easy. A wheel cut up to 50 degrees and a large windshield enhance maneuverability. The roomy SD cab interior is well insulated against cold and noise. And the dashboard provides easy access to switches and storage. All of which can increase the safety and productivity of your operation, lowering your total cost of ownership. That's what it means to Work Smart.

STANDARD FEATURES

- 122" BBC durable, non-corrosive, steel-reinforced aluminum SD cab
- Set-back axle tractor @ 43"
- Detroit™ DD15® TC engine with Virtual Technician™ Onboard Diagnostic System, 455 HP, 1550 lb-ft torque
